

THE LOT 11 AND AREA COMMUNITY COUNCIL

We Have The Power!

Three-Phase Power Key To Future Growth

Five local seafood processors joined with the governments of Prince Edward Island and Canada to fund the installation of three-phase power in our area.

The electrical upgrade has allowed seafood processors to cool product more quickly and add more and heavier equipment. This investment also makes our area more attractive for future business development.

Your council has been working on this project for many years, and it took the three levels of government working together to make it happen. Thanks to these forward-thinking business people for investing in all our futures.

YOUR COUNCIL

Meetings held 7:30 p.m. at the Freeland Hall the first Monday of each month except August and December

Susan Milligan, Chair

Karen Rank, Vice Chair

Lauren Bailey

Lowell Palmer

Sarah Perry

Chris Yeo

Norma Yeo

Please feel free to contact any councillor with your concerns or questions.

Administrator

June Ellis

june.ellis@lot11andarea.org

I would like to thank my councillors for all their hard work and dedication throughout the year. These people are the ones who go to bat for your community and work hard to get things accomplished. Well done.

Lot 11 and Area Council is always looking for new representation from the community. Please consider sitting on council and making a difference.

Susan Milligan, Chair

Our community hall, located at 82 Milligan's Wharf Road, is available for all types of functions like birthday parties, baby showers, meetings, etc., and has full kitchen facilities. To book the hall for your next event, contact **Karen Rank** at **(902) 439-6706**.

Tyne Valley Fire District Joint Emergency Measures Organization

After 3 years of planning, Lot 11 and Area joined with the communities of Eilerslie-Bideford, Lady Slipper and Tyne Valley, and the Tyne Valley Fire Department, to form the Tyne Valley Fire District Joint Emergency Measures Organization.

Knowing that any emergency or disaster could impact our entire region, councillors and volunteers from the four municipalities developed protocol on how our communities will work together.

While each community is still responsible for their own emergency preparedness, the Joint EMO will ensure the best use is made of all available volunteers and resources in the case of any large emergency.

Thanks to Lot 11 and Area Councillors Lowell Palmer and Karen Rank for leading this initiative. Big things can happen in small places!

*Lot 11 and Area councillors Norma Yeo, Susan Milligan, Karen Rank and Lowell Palmer, and council administrator June Ellis with Hon. Robert Henderson at the Joint EMO plan signing.

THE LOT 11 AND AREA WATERSHED GROUP

Making A Difference

The Lot 11 and Area Watershed Group manages 15,602 hectares, which includes 10 primary and 18 smaller streams.

In 2016 we:

- Provided meaningful employment to 9 people
- Did 3 separate beach cleanups
- Held 14 Watershed Camps for 30 community children
- Redeveloped 2.5 km of the Foxley River Demonstration Woodlot Trail System
- Worked on access trails and blockage removal on Brooks River, Grants Brook, and

MacDonald's River

- Planted 240 Native Trees/Shrubs on the Foxley River to catch sediment runoff

In 2017 we plan to:

- Rehabilitate 3 km of the Enmore River
- Plant 1,250 Native Trees/Shrubs along the Enmore River and Freeland Creek
- Improve connectivity and riparian zone diversity on the Freeland Creek
- 4th year of monitoring Enmore River for federal government CAMP initiative
- Beach cleanups, stream maintenance and more!

Who Are We?

Formed in 2008, the Lot 11 and Area Watershed Group evaluates, preserves and enhances our watersheds so they may continue to provide for the needs of our community and our environment.

Do you know when your septic tank was last pumped? If you can't remember, then perhaps it's time to have it done again. Improper care of your septic system can not only harm drinking water and streams, it can cost you a lot of money to fix a clogged leach field, not to mention the disruption to your family.

Watershed Camp Will Return For 5th Year!

Bird House Craft from 2016

Great news! Lot 11 and Area Watershed Camp will be running every Tuesday and Thursday from **July 4 to August 24**.

Held at Warburton Park, this **free** camp gives children the chance to have some fun and learn about nature. Nature walks, crafts, games and lots of fun!

We'd love to have your children join us this summer. Contact Karen Rank at karenrank@lot11andarea.org or (902) 439-6706 to register or for more information.

Lot 11 and Area Watershed Group
Annual General Meeting
Tuesday, April 25, 2017
7:00 p.m.
Freeland Community Hall
All Are Welcome!

The Lot 11 and Area Watershed Management Group always welcomes new board members.

If you would like to volunteer to serve on our board, please contact Karen Rank at (902) 439-6706 or email karenrank@lot11andarea.org.
