The Lot 11 & Area Community Council

March 2014

Our Community Council proudly presented the Freeland Women's Institute with the 2013 Community Recognition Award. For decades the Women's Institute has faithfully and generously served our community and has demonstrated the principle that love is a word of action.

Come Use Your Community Hall

Your next family gathering can be held right in your neighborhood. Consider renting the hall for birthday parties, anniversaries, reunions, or any time you plan to have more guests than you can comfortably host at home.

Oh, and don't forget, Warburton Memorial Park can be a place for outdoor recreation and fun.

Just imagine, a family reunion with hotdogs at the park and supper at the hall!

Contact Karen Rank to schedule your event. (439-6706).

Corporal Benoit Rivard of the Canadian Armed Forces raised the flag at our Canada Day Celebration. Our community thanks those in our Armed Forces for their dedication, service, and sacrifice in defending our freedom and way of life.

Be Prepared

Does your telephone work when the power is down?

Do you have a supply of food and water that will last for 72 hours during an emergency?

Does your family have a pre-arranged place to meet during the confusion of a local emergency or home fire?

Do you have flashlights, batteries, and a fire extinguisher?

Do you have special needs that emergency responders should be aware of?

These questions and others should be answered before an emergency occurs. Contact your Municipal Emergency Team for more information.
